

Film Warren is administered by Tracey Perry, Film Coordinator for the City, with a support staff of Christie Laabs. Film Warren was spearheaded by DDA and their Director, Lark Samouelian, together with Keith Williams (Information Systems Department), and Head Full of Ideas, a vendor secured through a multiple bid process. This endeavor enabled our City presence at the table of films and investment in this fledgling Michigan industry. The 2009 results were:

- Movie ['Highland Park'](#) - filmed in October, 2009 in our Continental Community Park on Warner & Continental- Highland Park Productions, LLC.
  - GM automobiles photo shoot in October, 2009- Black, White & Color, Inc.
